Accessible & Affordable Whole Person Care

Accordia-Health.org

Accordia Health provides easy access to high-quality, comprehensive whole person care. We coordinate treatment, medications, and any other aspect required to help you and your family maintain health and wellness.

Family Medical Care

Our mission is to provide quality-driven, patient-centered care that exceeds all expectations in a convenient, cost-effective, and accessible manner while maintaining the highest safety standards.

Accordia Health is a not-for-profit, Federally Qualified Health Center (FQHC). We are here to meet your health needs through integrated primary and behavioral health care.

FQHCs are community-based organizations that provide comprehensive primary care and preventative care to people of all ages regardless of ability to pay. Accordia strives to treat the whole person while helping patients establish medical homes.

Insurance

We accept most insurance, and also serve those who are uninsured. Even if you do not have insurance coverage, you can still use our services. We offer a sliding fee scale to all income-eligible uninsured or underinsured patients, based on annual household income. Contact us to schedule an appointment or for more information on how we can take care of you and your family.

Access to Care

Accordia Health is open Monday through Friday. We offer same-day appointments in most cases and accept walk-in patients for acute care on a limited basis. It is best to schedule an appointment by calling one of our offices. Our phone lines are answered 24/7 to address your healthcare needs.

What to Bring to Your Appointment

- Drivers License or photo ID card
- Medication List (including name and dosage)
- Insurance Card (if insured)
- Co-pay
